## Audio Tour Stops and Descriptions

**This We'll Defend:** The History of the United States Army - This is the longest of the Museum's three curated audio tours and it provides a comprehensive look at the history of the Army from its roots in the early colonial militias to the present day.

**In Their Boots:** Soldiers of the United States Army - Experience what it is like to be a Soldier. The artifacts on this tour will give you small glimpses across all eras into the life of the American Soldier

**Above and Beyond:** Valor in the United States Army - Find out what sort of courage is required of Soldiers when they go 'Above and Beyond' in the course of their duties. During this tour, you will learn about some of the Army's most courageous Soldiers from the War of 1812 to present.
